THE INVITATION

A SEASON ON THE WATER

Chicago Fleet Charters operates a 35-foot Carver 350 Mariner moored at Burnham Harbor — and for the 2026 Season, a limited group of members will call it their own.

The Lakefront Lounge is a single tier of membership built around a flexible points system. Rather than locking you into one experience, your points move with your summer: a quiet Tuesday lounge night this week, a skyline cruise for friends the next, a catered dockside celebration when the occasion calls for it. You decide how the season unfolds.

Membership is personal and runs for a single season, opening the door to lounge evenings, private cruises, dockside socials, and a curated calendar of food-and-beverage pairings — all coordinated by our Guest Services Team.

HOW IT WORKS

THE POINTS SYSTEM

Your membership includes eight points at the start of the season. Redeem them in any combination — a single lounge seat here, a full celebration cruise there — until your balance reaches zero. Need more? Additional points are always available at **\$100 per point**.

REDEMPTION	POINTS	NOTES
One Lounge Night seat	1	Reserves one seat in a single Lounge Night window (Tue / Thu / Fri at 6 PM, or a Sunday window). 2.5-hour window.
One Sunday Lounge seat	1	Reserves one seat in either Sunday window (3:00 PM or 5:30 PM). 2.5-hour window.
Guest at a Lounge Night	1	Per non-member guest, subject to the 6-person on-board capacity. (Your 2 complimentary guest passes come first.)
Skyline Cruise (2 hrs)	6	Private cruise, up to 6 guests total.
Lakefront Cruise (4 hrs)	8	Private cruise, up to 6 guests total.
Harbor Social Cruise (2 hrs)	7	Private cruise with catered food, up to 6 guests total.
Signature Celebration Cruise (4 hrs)	10	Private 4-hour experience with catered food, up to 6 guests total.
Dockside Social (2 hrs)	6	Stationary dockside experience with catered food, up to 10 guests total.
Signature Dockside Experience (4 hrs)	10	Stationary dockside experience with catered food, up to 10 guests total.

Mix & Match Freely

Eight points might be eight lounge seats across the summer, or one Lakefront Cruise, or a cruise plus a few lounge evenings — the season is yours to shape.

2026 Pricing Locked

Your 2026 point costs won't increase after you join. Values may be revised for the 2027 season.

Top Up Anytime

Buy additional points at \$100 each whenever you like. They redeem exactly like your enrollment points.

Use Them This Season

Points don't roll over — any unused balance is forfeited at 11:59 PM on September 30, 2026.

BRING THE WHOLE GROUP — AN EXAMPLE

A private cruise or dockside social books the **entire vessel**, so you can bring guests right up to its capacity — **6 on a cruise, 10 dockside** — with no extra points per guest. Say you have 4 points left after a few lounge nights; add the 2 points for a 6-point Skyline Cruise (just ask Guest Services, \$100/point) and take the whole cruise for yourself and up to five guests — all on one booking.

A NOTE ON ALCOHOL

Chicago Fleet Charters does not hold a liquor license. Beverages served at lounge nights and catered cruises are poured by a licensed, insured third-party bar service and are included in the offering — not sold per drink. On BYOB cruises, guests are welcome to bring one bottle per person. Guests must be 21+ to consume alcohol.
